### CASTILE, HOTEL ZAMORA

**Where:** St. Pete Beach, Florida

Inspired by Spain, [Castile](#) is the rooftop lounge at the new [Hotel Zamora](#). Soak up 360-degree views of the Gulf of Mexico (including a gorgeous sunset) while sipping cocktails, mining the seafood-centric menu for a catch of the day, or tuning in to your favorite sports team (thanks to flat-screen televisions). Each Saturday and Sunday features a \$4 Bloody Mary bar.

**Drink to Try:** Olives in the Three Olive Martini are stuffed with crab, shrimp, and caviar.
