## VILLA BAGATELLE

Stylish [Villa Bagatelle](#) features 31 suites dressed in white-and-cream Frette linens and decked out with marble baths, C.O. Bigelow toiletries, and a Geneva sound system. A fashionable rooftop pool lets you linger poolside with bottles of French rosé or a glass or two of bubbly. A retreat in the zen courtyard provides some downtime before you head to the popular French–Mediterranean [Bistro Bagatelle](#), known for its buzzy Champagne brunch party. If it's the ocean you crave, a beach chair, umbrella, and a good book on the white sandy beach at Collins at 18th Street are calling your name.
