# *The Culinary Revolution Continues*

WITH A NEW CROP OF RESTAURANT ARRIVALS, IT'S CLEAR THAT MIAMI'S GASTRONOMIC EVOLUTION ISN'T SLOWING DOWN. HERE ARE FIVE MUST-TRY EATERIES FOR 2015. **BY CARLA TORRES**

### **Coming Soon: Bagatelle**

New York, Los Angeles, St. Barth's, and St-Tropez are not enough for this restaurant group. Instead, Villa Bagatelle will extend the brand's joie de vivre concept beyond meal times and into a 30-guestroom overnight experience in the former Boulanger space. Bagatelle,

helmed by Matthieu Godard (formerly of DB Bistro), will fuse Southern French cooking with Japanese and Peruvian cuisines and bring its notorious party brunches to South Beach. 2000 Collins Ave., Miami Beach; [bistrobagatelle.com](http://bistrobagatelle.com)
